Write a short paragraph sharing your experience or how you support Military youth!

### PURPLE UP FOR MILITARY KIDS!

April is the Month of the Military Child and we want YOU to join us in the fun!

Celebrate and recognize your support of Military-connected kids and teens by wearing your purple starting on April 1, 2022 and all month long. Submit individual and group photos showing how you Purple Up during the Month of April!

### DANDELION CHALLENGE

Did you know that the official flower of Military youth is the dandelion?

Dandelions put down roots almost anywhere and are almost impossible to destroy. Military children and teens bloom everywhere the wind carries them. The dandelion represents their resilience and adaptability to new situations no matter where they live. Show us your version of a dandelion by submitting individual or group photos and/or art to show Military youth how you celebrate resilience.
