

Gingerbread House Rules

- One Gingerbread House per participant. Group entries are allowed with one team leader name.
- All Gingerbread Houses must be placed on a surface no larger than 18x18". No legs on the base. The base surface should be completely covered for presentation of the final product.
- No artificial materials can be present in or on the house itself. All Gingerbread Houses must be 100% edible, with the exception of the base.
- All Gingerbread Houses must be in the form of a house and cannot be taller than 24".
- Houses must be delivered fully assembled. No on-site assembly (other than minor repairs) will be permitted.
- No names or advertising will be allowed on the Gingerbread House at any time.
- All entries must be submitted no later than 4 p.m. and the winners will be announced at 5:45 p.m.
