

Disney Military Promotional Ticket

Valid through September 26, 2021

IMPORTANT INFORMATION

When the parks reopen, park attendance will be managed through the Disney Park Pass system, which guests will use to make theme park reservations. To enter a Walt Disney World® theme park, both a park reservation AND valid admission for the same park on the same date are required for each person in the guest's party ages 3 and up. A park reservation must be made for each day of entry. For multi-day tickets, guests will be required to make a park reservation for each date of their visit. Prior to purchasing a Ticket, the guest should check park availability by visiting:

For important information about park reopening, reservations, limitations on benefits, features, experiences and offerings, new safety measures and other guests should visit:

Immediately after purchasing a Ticket, the guest should visit

<https://disneyworld.disney.go.com/plan/my-disney-experience/>, create a profile (if the guest does not already have a profile), and using the Ticket or confirmation number, link the Ticket to the profile and then make park reservations. Disney highly recommends that guests make their park reservation as soon as they complete their Ticket purchase, as availability can change until the reservation is finalized.

Be advised, upon reopening, select tickets and select ticket add-on entitlements may not be available. At this time, visiting more than one park per day is temporarily unavailable due to attendance limitations.
