MEMORANDUM FOR Fort Belvoir Child and Youth Services Patrons

SUGJECT: School Year (SY) 2021-2022 Child and Youth Services Fee Policy

1. The Army will implement the SY 2021-2022 Army Child and Youth Fee Policy as required by the SY 2021-2022 Department of Defense (DoD) Child Development Program Fee Policy on 2 September 2021. The DoD Fee Policy, issued each year, prescribes uniform fee regulations for military child developments programs based on Total Family Income (TFI). The key points included in the SY 2021-2022 Child and Youth Fee Policy are:

- a. The SY 2021-2022 Fee Policy represents year one of the Office of Secretary of Defense (OSD) five year model to gradually increase the number of income categories and fees.
- b. The SY 2021-2022 Fee Policy increases the number of fee categories from nine to 13 TFI categories. Category TFI ranges occur in \$10,000 increments starting at \$30,000.
- c. The Services, directed by OSD, are to implement the minimum compensation rate (hourly pay rate) for all direct care staff in child development programs and youth programs. OSD made changes to the fee policy to generate income to help pay for these increases for child development program staff and to facilitate staff recruitment and retention.
- d. The hourly care rate has changed from \$5 to \$7.
- e. A daily fee of \$50 is charged for occasional users attending School Age Care (SAC) more than four hours per day. A daily fee of \$30 is charged for occasional users attending SAC four or less hours per day. An occasional user daily fee of \$40 applies to occasional users needing supervised programming before 1300 on school out days.
- f. Parent fees TFI have not changed since SY 2018-2019.
